It gives me immense pleasure to learn that the Assam Forum of Great Britain is organizing its Annual Conference this year, on the 5<sup>th</sup> of September, 2015 at the London School of Economics, London, UK.

I am pleased to note that the conference will be having an extensive dialogue on significant issues concerning the progress of our state - Assam. My appreciation to the entire Assamese Diaspora for having shown your keen concern, by organizing such meaningful events over the years - reflecting your passionate contribution.

I wish the forum and its organizers all success, by having a meaningful exchange of powerful ideas, to help address the urgent needs, for the welfare of our people & progress of the state.

regards

Yours sine

erely,
